

Ravi Pankhaniya

BE(Computer Science & Engineering)

I am Honest and Dedicated Person. My Short Term Goal is To Get Job In Reputed Company and Whenever I Improve My Skill And Knowledge I want To Get Good Position In Software Development Field. Also Whenever I improve my skills I am ready to do hardwork and give my 100% in it. **As a Software Engineer I use my creativity and technical skills and apply the principles of software engineering to help solve new and ongoing problems for an organization.**
